RishTech Projects (I) Pvt. Ltd.
Our Commitment, Your Confidence

COMPLETE FIRE PROTECTION AND DETECTION SOLUTIONS

www.rishtechindia.in

"At RishTech, our goal is to ensure that every project, for all our consultants & clients, is a great experience."

ABOUT US

RishTech Projects (India) Pvt. Ltd. is a dynamic company pioneering in latest fire protection technology and is promoted by a team of India's leading fire engineering experts with over 10 years of outstanding performance in the field of Fire Protection Engineering. The company, established in the year 2020 and incorporated as a private limited company in 2021.

We are specialized in Designing, Supplying, Installing, Testing, Commissioning & AMC of all the types of complete Fire Protection and Detection Systems on a turnkey basis as per TAC/NFPA/FM/IS/NBC and other global standards. Our constant innovation to mitigate challenges faced by our clients speaks volumes in what we do the best and that is protecting lives & facilities.

Innovation, Professionalism and a Client Centric Work Ethic are some of our core values. We are a team of dedicated and enthusiastic professionals, equipped with the skills, knowledge and experience to continuously exceed client expectations and effectively take on any challenge the future holds for us. We are soulfully connected to our duty. We are Passionate Protectors and we believe in building a long term bond with our clients. We understand the value of hard earned money and so we believe in providing cost effective solutions bringing down the project investments. We ensure that all the projects are minutely taken care off as they become part of us. This makes our company CCC that is a Client Certified Company.

MISSION

"We strive to provide premium quality Fire Protection & Detection solutions with innovative and cost effective measures. We aim to provide the highest attainable quality of products & services by ensuring complete customer satisfaction, guided by hard work, integrity, and innovative technology. We seek to integrate value for our clients and employees by achieving higher levels of sustainable growth."

OUR VISION

"Our prime objective is the safety, security, rescue, and protection of life & property, paired with leadership and a strong environmental conscience. Our vision is to provide trustworthy and value-added engineering solutions making the systems reliable. This is achieved by ensuring that quality objectives and policies are reviewed periodically, to continuously improve our system."

SERVICES OFFERED BY RISHTECH

- Site Surveys & Hazard Analysis
- Complete Design & Engineering of Fire Protection & Detection Systems as per NFPAFM/NBC/IS/OISD/Local Norms.
- System Integration
- Supply, Installation, Testing & Commissioning of Complete Fire Protection & Detection System Installation of Fire Protection & Detection Systems.
- Training.
- Annual Maintenance Contract (Comprehensive & Non Comprehensive basis). Fire Audit & Health check-up.
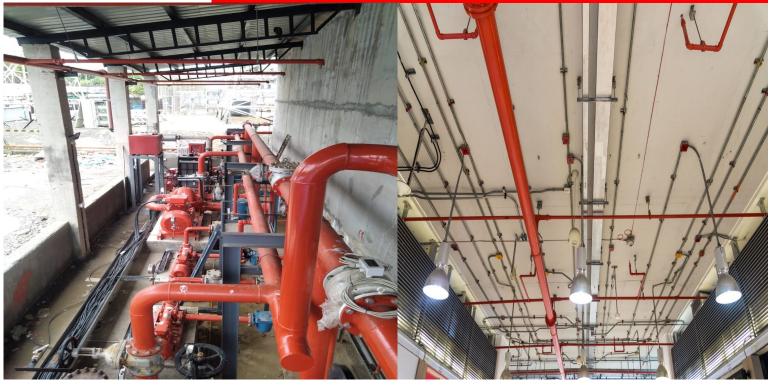

SPECIALIZATION

RishTech Projects (I) Pvt. Ltd. is specialized in all type Fire Protection & Detection Systems on DSITC basis. We offer Design, Supply & Execution and AMC of following systems:

- Fire Pumping System

- Fire Sprinkler System

- Fire Hydrant System

- Spray System (HVWSS & MVWSS)

- Gas Based Suppression System

- Electrical Panel Protection System (NOVEC 1230)

- Fire Alarm & Detection System

- Foam System

- Kitchen Fire Suppression System

- Mechanical Utility Piping

- Portable Fire Extinguishing System

- Nurses Call System

RishTech Projects (I) Pvt. Ltd.
Our Commitment, Your Confidence

FIRE PUMP ROOM

SPRINKLER SYSTEM

FIRE HYDRANT SYSTEM

HVWS SYSTEM

MVWS SYSTEM

GAS SUPPRESSION SYSTEM

FIRE ALARM & DETECTION SYSTEM

ELECTRICAL PANEL PRO - TECTION SYSTEM (DLP)
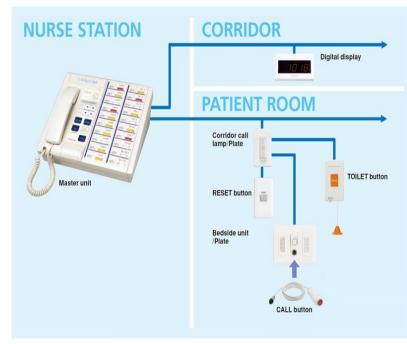

FOAM SYSTEM

KITCHEN FIRE SUPPRESSION SYSTEM

NURSES CALL SYSTEM

MECHANICAL UTILITY PIPING

QUALITY POLICY

RishTech Projects is an ISO 9001:2015 certified company since its inception. Quality Management System is a key element of our company's philosophy and work culture.

Quality Control in accordance with National and International standards, codes and philosophies such as ISI, TAC, UL, FM, LPC (CFO), NFPA etc., is applied in every area of our daily activities.

We do not consider quality control as the sole responsibility of the QC department. We ensure that each individual in the organisation - from the top management to the technician is sensitized to quality control and implements QC parameters in each stage of engineering as an integral part of his/her duty.

RishTech Projects (India) Pvt. Ltd. strives to achieve customer satisfaction by providing quality products and services in the field of Fire Protection and related systems through timely completion in a safe environment. We do so by continual improvements in our systems, products, processes and resources while meeting relevant rules and standards in force.

RishTech Projects (I) Pvt. Ltd.
Our Commitment, Your Confidence

EHS POLICY

RishTech Projects is an ISO 14001:2015 and ISO 45001:2018 certified company. As an responsible organization, RishTech Projects is committed not only to protect and safeguard the health and environment of its employees but also of people & properties affected by its operation. We have created a working space which is reasonably practical, safe and which preserves the interest of all those who are part of these activities and are affected by it.

The company is devoted to improve and update its standards of health & safety throughout continuously. The board provides leadership training to the workforce on health & safety measures to gain the best results.

Adequate resources are provided to train, monitor and assess company's health & safety performance and deliver the objectives determined for continuous improvement. All the requirements of this policy are transferred to the employees by company's head of that particular department. Consulting and involving are the two methods used to promote the management of health and safety. This policy is displayed at all the offices & local sites and they are issued to all the new employees who are joining at induction. This policy should be read in conjunction with the Ashe specific documents detailed within the General Arrangements document.
